

## Activité orale

### Travail de groupe : Tu connais... ?

Working in groups of four or five, take turns to act out the following scenario. One of you (A) selects another person (B), then asks the others if they know him/her. You then introduce B to the others in the group.

Note: You can use fictitious names if you like (e.g. names of famous people).

#### Example:

- Tu connais [fictitious name] ?
- Non.
- Je te présente [fictitious name].
- Enchanté(e).
- Et [another name] ... etc.
